Note: A blue arrow labeled "Click here" points to the "Before" link in the left sidebar.

Logging In

You will find yourself on the Triton Globetrotter homepage.

If you are an UMSL student or employee, click “Login” near the top right or “Login for UMSL Users” in the left column. Continue to page 3.

If you are not an UMSL student or employee, click “Non-UMSL Login” near the top right or “Login for Non-UMSL Users” in the left column. Skip to page 4.

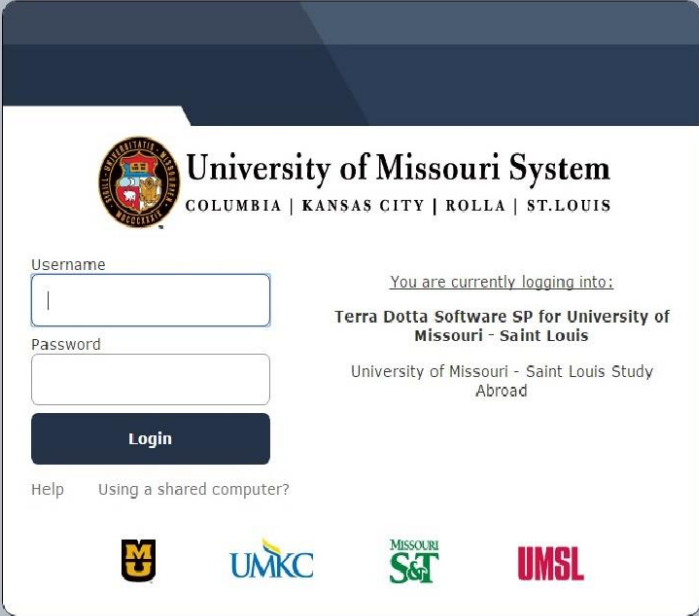

The image shows a screenshot of the Triton Globetrotter website. The header features the "Triton Globetrotter" logo in yellow and white on a dark red background. Below the header is a navigation bar with links for "Programs", "Staff", "Deadlines", "NON-UMSL LOGIN", and "LOGIN". The main content area includes a sidebar with links such as "Study Abroad Home", "Program Search", "Login for UMSL Users", "Login for Non-UMSL Users", "Register with Triton Travel", "Incoming Exchange Students", "International Studies & Programs", and "Make an Advising Appointment". The main content area contains text about logging in and a large banner for "UMSL study Abroad" with the text "FIND YOUR HOME AWAY FROM HOME." and "studyabroad.umsl.edu". The banner features a collage of images including a sunset, a pagoda, and a building. Blue arrows point to the "Login for UMSL Users" and "Login for Non-UMSL Users" links in the sidebar, and the "NON-UMSL LOGIN" and "LOGIN" links in the top right corner.

Logging In

UMSL users will be taken to this screen to enter their SSO IDs and passwords. This is a secure login, the same system used to log in to MyView and MyGateway. In fact, you **use the same ID and password** you do for those systems.

Your Single Sign-On (SSO) ID is the part of your email address that appears before the @umsl.edu. If you are unsure about what your SSO ID is, visit <http://sso.umsl.edu>.

Skip to page 5.

Logging In

Non UMSL-users will be taken to this page. If this is **not** your first time on the UMSL Study Abroad application site, enter the username (email address) and password you established previously.

If this is your first time on the site, click on the appropriate link on the right (“Applicant,” “Recommender,” “Reviewer,” or “Staff”). You will be asked to answer some basic questions in order for the system to build a profile for you.

The screenshot shows the Triton Globetrotter login interface. At the top is a red banner with the logo. Below it is a navigation menu with items like Providers, Applicant, Profiles, Applicants, Programs, Process, Site, Staff, Settings, and Maintenance. The user 'Nathan Daugherty' is logged in. The main content area is titled 'Security : Login (existing user)'. It features a 'Please log in:' section with fields for 'Username:' (containing 'daugherty@umsl.edu') and 'Password:' (masked with dots). A 'Login' button and a 'Forgot your password?' link are also present. To the right, a 'First Time Users:' section contains a message: 'If you are a first time user of this site, click the link which describes the type of user that you are:' followed by a list of roles: Applicant, Recommender, Reviewer, and Staff. A blue arrow labeled 'Returning Users' points to the login fields. A blue box labeled 'First-time Users' points to the 'First Time Users:' section. At the bottom, there is a 'Browser Requirements:' section.

Logging In

After you have logged in you will either be brought back to the Program Search page (page 2 above) or to your Applicant Home page (pictured here). From there you should be able to search for programs, apply to programs, or continue with current applications by clicking on the name of the program in the Applications section. For more information about applying to programs, see our guide on Applying.
