**UMSL users** will be taken to this screen to enter their SSO IDs and passwords. This is a secure login, the same system used to log in to MyView and MyGateway. In fact, you use the same ID and password you do for those systems.

Your Single Sign-On (SSO) ID is the part of your email address that appears before the @umsl.edu. If you are unsure about what your SSO ID is, visit <u>http://sso.umsl.edu</u>.

Skip to page 5.

**Non UMSL-users** will be taken to this page. If this is not your first time on the UMSL Study Abroad application site, enter the username (email address) and password you established previously.

If this is your first time on the site, click on the appropriate link on the right ("Applicant," "Recommender," "Reviewer," or "Staff"). You will be asked to answer some basic questions in order for the system to build a profile for you.

After you have logged in you will either be brought back to the Program Search page (page 2 above) or to your Applicant Home page (pictured here). From there you should be able to search for programs, apply to programs, or continue with current applications by clicking on the name of the program in the Applications section. For more information about applying to programs, see our guide on Applying.
